Jefferson County Ambulance

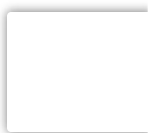

After decades of privately-owned ambulance companies providing EMS to the county, the decision was made in 2023 to offer a county operated service and commit the resources necessary to guarantee a quality ambulance service.

We are the primary EMS service for Jefferson County, working alongside Fairfield Fire Dept., as well as several volunteer services, including Libertyville, Packwood, Lockridge, and Brighton. We staff and operate two ambulances around the clock, offering 911 emergency response and interfacility transports. A third ambulance is also available for critical incidents.

Responses

Since our inception in Oct, 2023, we have responded to more than 1800 calls, averaging five calls per day.
