

BOARD OF TRUSTEES

OUR MISSION IS TO SERVE

The mission of Jefferson County Health Center, governed by a 7-member board, is to oversee the health care needs of its public by making available high quality services in quantity consistent with economic and regulatory considerations. To improve delivery, organization and management of health care services, the Jefferson County Health Center will:

- Develop and provide services to the public, which enhance efficiency in the provision of health care;
- Develop and implement educational programs for the public and hospital related personnel; and
- Represent the community in health care matters.
