

MEET OUR LEADERSHIP TEAM

Faculty Leadership

At Maharishi School, we have the great privilege of stewarding a very special educational vision—one that honors the whole child. We believe that the most powerful learning emerges from the combination of a quiet mind, a curious intellect, and a caring heart.

This is why we are so dedicated to Consciousness-Based Education; it provides the foundation of self-awareness and inner peace from which all learning flows. It is also why we champion a robust STEM program, believing that our students need to be the innovative problem-solvers of tomorrow.

Above all, we are committed to knowing and caring for each and every student. We see our school as a family, and our primary role is to ensure that every child feels a genuine sense of belonging, support, and inspiration.
