

Academic Office

OFFICE OF DIRECTORS & DEANS

The Academic Office at Maharishi School is dedicated to supporting the well-being and success of all our students.

We provide guidance, resources, and advocacy to ensure a positive and enriching school experience, fostering a safe and supportive learning environment where every student can thrive.

Kaye Jacob

Middle & Upper School Director

I love teaching—and our students are wonderful. Respectful, hard-working, curious, kind, and funny, they are also diverse in ethnicity, worldview, beliefs, and interests. In the classroom, they are engaging—and even when they get “sent to the office,” they are responsive and reasonable as we work to restore relationships and resolve conflicts.

In my current role, I also mentor teachers and am mentored by them in a collaborative and highly professional learning community.

Lynn Shirai

Preschool & Lower School Director

Social-emotional learning with children has always been a love of mine. Working with the lower school students as a teacher and now as the director has allowed me to experience directly the changes and challenges of this new generation. The students have the capacity to create new ideas, bring in outside-of-the-box thinking and bring so much joy into our little corner of the world. Tutoring and one-on-one discussions with them has opened my eyes and heart to what lies ahead for this next generation.
