

SPORTS & RECREATION

Competing with spirit and playing for joy

Maharishi School collaborates with our local public school district to offer seasonal interscholastic sports for boys and girls. These programs usually have Varsity and Junior Varsity levels (and sometimes 9th Grade teams) competing in regional leagues. Practice is after school weekdays for about two hours.

Half of the interscholastic games are played at home; half at the other school's facilities. The seasons last for 2-3 months. Individuals and teams can qualify for the Regional and State competitions. We believe fitness is crucial for having a well-balanced, integrated life.

Our recreation center offers a variety of fitness options: weightlifting, badminton, pickleball, intramural basketball, intramural soccer, gymnastics, indoor track, and tennis. And if you prefer, we can arrange for in-town options such as swimming or cross-fit.

Fairfield Country Club and the Walton Club

Golf course

Fairfield Loop Trail

16-mile hiking and biking trail that surrounds the city

Chautauqua Park

Disc golf

Waterworks Park and Lake

Seasonal swimming and boating, sand volleyball, disc golf

INTERESTED? Students interested in these or other sports or recreation are encouraged to speak with the Athletic Director to arrange participation.

INTERSCHOLASTIC REQUIREMENTS. Students in interscholastic sports are required to complete a physical examination before starting participation and must maintain passing grades to remain eligible in the sport season.

TRANSFER STUDENTS. By Iowa law, transfer students are not permitted to compete at the Varsity level for the first semester of their enrollment.

HISTORY OF EXCELLENCE

Our Tennis Program

Our Pioneer tennis program is renowned in Iowa for 20 State Championships—singles (9), doubles (6), and team tennis (5). Maharishi School is the only Iowa high school to win three Triple Crowns (1999, 2000, 2014), winning State Singles, Doubles, and Team titles in the same year. It's also true that Maharishi School is the only Iowa high school to win consecutive Triple Crowns—1999 and 2000.

From 2022 to present, our students continue to place in the top 7 in State Tennis Competitions.

Our four indoor tennis courts and our outstanding coaches provide a path to excellence, and several of our graduates have gone on to compete at the university level.

On-court success can be measured in another way, beyond wins and losses. We have a proud tradition of exemplary sportsmanship, of demonstrating our school's Core Values of Respect and Responsibility, even in the heat of competition. That is social and emotional fitness, another factor in a well-balanced, integrated life.

Coach Eyre

Our Tennis Coach: Lawrence Eyre is a highly regarded tennis coach with a distinguished career marked by significant contributions to the sport. He not only coaches high school tennis players to success but also fosters a love for the game within the community.

Eyre's dedication and coaching prowess earned him the prestigious **USTA Gold Star Award**, an honor bestowed by the United States Tennis Association for his efforts in growing tennis participation. In 2009, he was further recognized as the **USPTA "National High School Coach of the Year"**, solidifying his reputation as an exceptional mentor and leader.

Our Mission

To create an innovative Consciousness-Based educational environment where students think deeply and become creative, compassionate, contributing citizens of the world.
