APPLICATIONS

Our Admissions Process

1. Apply Online

There is a \$30 application fee, and you will need to provide the following information:

- Copy of the student's birth certificate
- Official immunization record or notarized waiver

As you navigate the application requirements, remember that the Maharishi Admissions team is here to be your partner every step of the way. Access our [online application](#).

2. Visit and Interview

The best way to know if Maharishi School is a perfect fit for your family is to come to observe the Nature Explore Classroom, indoor classrooms, and Consciousness-Based Education™ curriculum for yourself. Afterward, you will be invited to sit down one-on-one with our Preschool Director to hear more about the program and answer any questions you have. This is also the time we will get to know you and determine together if Maharishi School is a good match for your child and their needs.

The visit and interview are arranged by appointment only. To [plan a visit and interview](#), contact admissions@maharishischool.org or call (641) 472-9400 ext.5076.

To provide an authentic observation, we request that your first visit and interview be for parents only. A visit for your child can be scheduled at a later date.

3. Await acceptance letter

When Maharishi School's Preschool has a waiting list, we use the following criteria to determine each family's place on the list, shown in order of priority:

1. Maharishi School staff children
2. Sibling of a currently enrolled student (in any division)
3. MIU faculty/staff children
4. All others in each age group, by date of application. At each age level, class sizes are held to a predetermined number of students to ensure the quality of instruction, meet government regulations, and allow our teachers to work individually with each student.

4. Complete the enrollment process

After receiving your acceptance letter, say "yes". Pay the enrollment deposit and complete the enrollment process with our Registrar.

Families may opt to use our monthly payment plan or pay for each semester in full before the student begins in their classroom.

The following documents are required to complete the enrollment process:

- Physical and Health records (completed by your doctor within the last 12 months)
- Dental Screening (Kindergarten Only)
- Ages and Stages questionnaire
