

TUITION VOUCHER PROGRAM

Iowa Voucher Program (ESA Voucher)

The Students First Act is a bill that was signed into law in 2023, which makes state education funding available for K-12 students who choose to attend private schools. It also provides public schools with additional categorical funding for students who live in their district but attend private schools, and allows public school districts to use unspent money from some categorical funds to supplement teacher salaries.

Education Savings Accounts are available to parents who enroll their eligible children in an accredited private school. ESA funding is equal to the per-pupil funds

allocated by the state to all public school districts each year (approximately \$8,000 per student).

More information is available on the Iowa Department of Education website at <https://educate.iowa.gov/pk-12/educational-choice/education-savings-accounts>
