

## BOARD COMMITTEES

### Finance

The Finance Committee is tasked with supporting the school's mission by ensuring responsible management of the organization's financial resources and fostering long-term sustainability. The Committee works to ensure alignment with the school's values and strategic goals by overseeing financial practices, developing the annual budget, and planning for the school's future financial needs.

### Outreach & Communication

The Outreach & Communication Committee is dedicated to fostering meaningful connections within the school community and beyond. It oversees communication channels, public relations, and outreach efforts, ensuring that the school's values, events, and initiatives are clearly shared and warmly represented.

### Health & Safety

The Health and Safety Committee shall serve to support Singing Cedars' mission by fostering a safe, healthy, and secure environment for students, staff, and families. This committee provides oversight and guidance in implementing health-related policies, addressing safety concerns, and promoting practices that encourage optimal well-being within the school community. The committee collaborates with school leadership, staff, and community members to ensure that health and safety measures align with best practices and regulatory requirements.

donor stewardship. Its work strengthens financial sustainability, coordinates major initiatives such as the Giving Campaign, and fosters a culture of generosity that ensures Singing Cedars can thrive for years to come.

### **Governance**

The Policy and Procedure Committee is tasked with supporting the school's mission by ensuring that the organization's governing policy and procedure are in compliance with all other internal governing committees and outside regulatory bodies. The Committee works to ensure alignment with the school's values and strategic goals by developing, reviewing, and maintaining policy in an ethical and legal manner.

### **Buildings & Grounds**

The Building & Grounds Committee shall meet biannually, and additionally as needed, to maintain and improve all facilities and grounds at Singing Cedars. The committee works collaboratively with staff, volunteers, and paid professionals to ensure that the physical campus remains safe, functional, and aligned with the school's values. The committee also supports festivals, events, and community gatherings by preparing the campus and ensuring its orderly restoration afterward.
