ADMISSIONS DECISION

Families will be contacted in writing shortly after the interview process with the final enrollment decision. If the child has been accepted into the program, a signed Enrollment Acceptance Form with a supply fee must be submitted to Admissions (office) within 10 days of receipt of acceptance to secure enrollment offer. A separate meeting will be scheduled with the School Administrator to make financial arrangements for the year.

Once enrollment is complete a Welcome Packet will be mailed to all families in July. Your child's teacher will also be in touch regarding preparations and meetings for the new school year. In late August, Parent Orientation at the beginning of the school year will give families an opportunity to meet other parents and members of administration; hear from your child's teacher; and sign up for volunteer opportunities throughout the upcoming school year.
