

GIVING TO OUR SCHOOL

At Singing Cedars, we're committed to providing our students with a holistic and inspiring education. Each year we rely on the support and involvement of our entire community to help meet our goals through a coordinated series of fundraising activities. Gifts to the school account for 10% of our operating budget and this generosity has allowed our school to become a grounded institution in the Fairfield community nearly 25 years.

Our Giving Month goal is \$5,000, part of a broader Annual Giving Campaign goal of \$10,000, to support essential facility improvements that will serve our students for years to come. Every contribution—large or small—helps us care for our campus, enrich our classrooms, and sustain the joyful, hands-on learning that defines Singing Cedars.
